

# Summer Camp Weather Policy

**In the event of light showers, the Canton Joint Recreation District Summer Day Camp Program will continue as scheduled, providing the area is safe.** Parents should dress their child appropriately for the weather conditions, as Summer Day Camp will be held regardless of damp weather.

**In the event it starts raining during a camp:** The Summer Day Camp will continue in the event of light rain or passing showers that happen during the day. Please dress children appropriately for the weather. If weather conditions become unsafe, shelter will be provided by the C.T. Brianin Natatorium. If long term shelter cannot be provided, the program will be cancelled for the remainder of the day and you will be required to collect your child from program.

## **It is raining, why is my class not cancelled?**

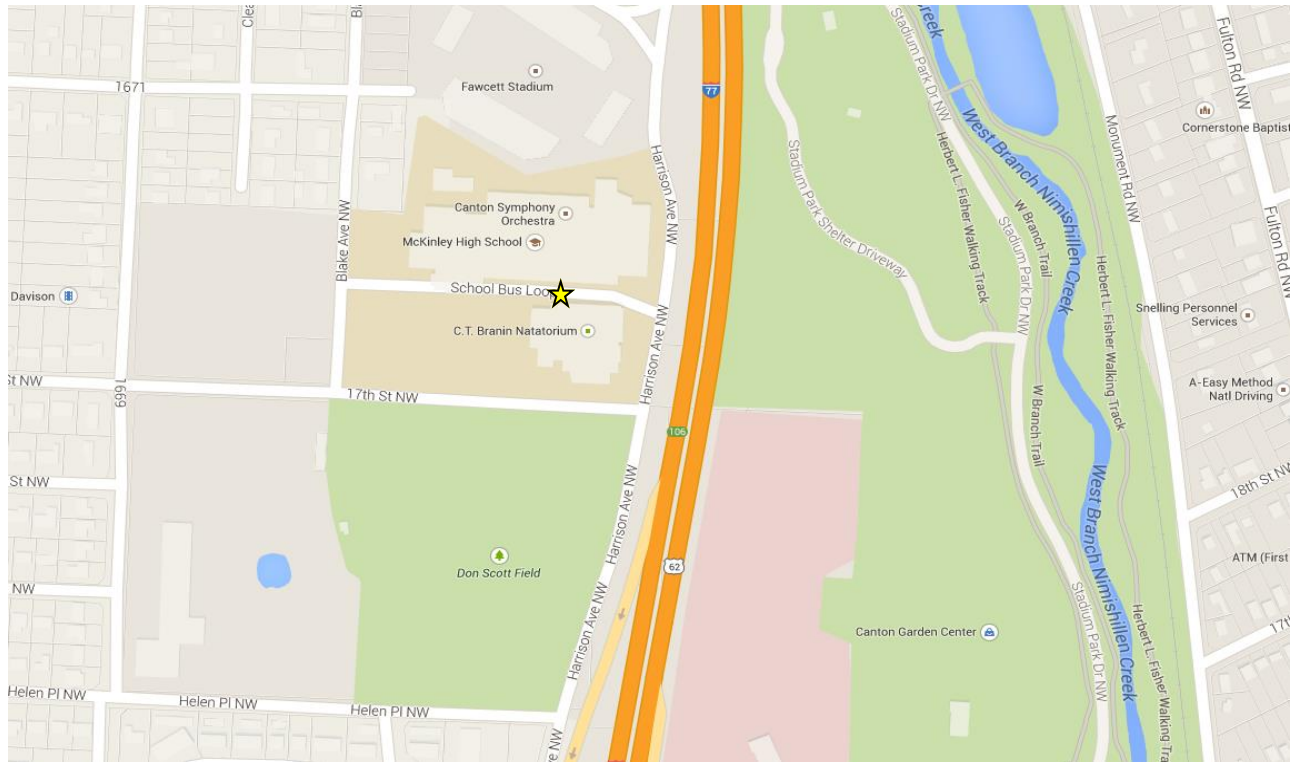

We strive to ensure the best decisions are made for each individual program by checking the weather forecasts and radar frequently. However, sometimes this technology is not truly accurate, in such instances our office staff members rely on our on field staff to relay the actual weather condition once they have arrived on location. If your program is not listed we ask parents to attend the session as scheduled, where coaches will make a decision based on current weather and field conditions.

## **It's raining where do I drop off campers/ pick up campers?**

- In the event it is a light rain in the morning, Summer Day Camp's camper drop off will remain the same.
- In the event of heavy rain or thunderstorm in the morning, Summer Day Camp drop off will be at C.T. Brianin Natatorium AUX gym entrance. Drop off time will start at 7:30 AM and last until the start of camp.
- In the event of light rain in the afternoon, Summer Day Camp campers will need to be picked up at the normal spot.
- In the event of heavy rain or thunder storm, Summer Day Camp campers will need to be picked up at C.T. Brianin Natatorium AUX gym entrance. Normal pickup times apply.

If drop off or pick up locations change the Canton Joint Recreation Staff will post the change on the department's Facebook Page, Website, Emails and in some cases text messages will be sent out.

If you have any questions please contact the office at 330-456-4521.

When rainy weather is present:

Campers can be dropped off at the C.T. Brianin Natatorium AUX gym entrance highlighted by the star on the map above.
